I received your packet dated Aug 23, 2000 and I wish to inform you that you have sent this to the wrong person. I am Michelle Portnoi and I have never given any contributions to any one especially not of \$1,000.00. I have not bought a money order in the last 20 years since I got a checkbook. I would like to know how someone got my address associated with her name.

I am returning your packet by certified mail today and please clear up this situation ASAP. I don't want any violations sent to my house that do not belong to me.

Thanking you in advance, I remain

Very Truly Yours

Michelle Portnoi
